IF Mr. C. W. STEPHENS, formerly a Writer at the Company's Cloth Factory at Puttahaut, will state his address by Dawk to Mr. R. D. FINNEY, of Luckipore, he will hear of something to his advantage.

To be Let in Farm on LEASES of 10 or 15 Years, the following Government Estates, situated in the Collectorship of Dinagepore.

Mehal and Pergunnah.	Date of becoming Khas.	Rukba.	Hustwood as per 8th Quinquennial Register.	Sudder Jumma.	Rukba Ubadde.	Jumma of 1842.	Balance of former years.	Balance of 1842.	Grand Balance at the close of 1841 B. S.
M. Mirzapoor, P. Gilahbaree,	10th June 1836,	12660 16½	6666 1 18 0	5906 13 15 0	7207 7½				
M. Sindoorhatta, Pergh. Ditto, ...	Ditto,	7696 5½	4896 14 11 3	5085 8 9 1	4597 2½				

These Estates have so lately been purchased by Government that no accurate Statement can be formed of their Rukba Ubadde or of their Balances, and only a Rough Estimate could be formed of the probable Collections.—The Estates are close to each other and are under the same Tehsildar.—They are intersected by the Jumna River.—The soil is for the most part Kheer and Pullee, the former produces Rice, of a superior kind, and fetches a high Price in the Market; the latter produces Sugar Cane, Indigo, &c. Mirzapoor is comparatively but little deteriorated by the racking of the Zemindars, and has numerous old and good Cultivators on it. Sindoorhatta is in a worse condition, but offers a good opportunity to small Capitalists to bring its valuable Lands into Cultivation. There was an Indigo Factory formerly in their neighbourhood, and it was only closed on the Proprietor obtaining an appointment under the Government. The Ryots would no doubt be glad to cultivate the plant again. The late Owners of these Estates bought them nearly 40 years ago, and have never until lately had any difficulty in paying the Sudder Jumma which is a sufficient proof that the Lands have only deteriorated by recent neglect. The Lands are situated on three sides of the Chintaman Thanah. The Estates are 14 Coss from Dinagepore and 2 Coss from the Moonsif's Kutchery.—Tenders to be made to the Acting Collector of Dinagepore.

FORT WILLIAM,
FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at	Bengal.
Ditto	Madras.
Ditto	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of repaying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

LEGISLATIVE DEPARTMENT,
THE 10TH OCTOBER, 1836.**

Resolution.

The Zemindarces of Goomsur and Soorada, in the District of Ganjam, have long been in a state of the utmost disorder and confusion. The Revenue due to Government has for many years past been paid with great irregularity. The Zemindars have frequently been in a state of actual Rebellion. The authority of Government has been openly resisted, and the most atrocious acts of violence and outrage have been perpetrated by the Zemindars and their adherents. Although such measures as were consistent with the principles and provisions of the existing Regulations have, from time to time, been adopted by Government and by the local Authorities, with a view to the establishment of good order and permanent tranquillity in those Zemindarces, the attainment of that important object has been frustrated by peculiar obstacles arising from the nature of the country, the character of the Inhabitants, and other special and local difficulties. The failure of all measures hitherto adopted under the existing laws to restore tranquillity—the increasing prevalence of disorders which, if not speedily suppressed, may extend to the neighbouring States, and the continued resistance opposed to the authority of Government have at length rendered it necessary that the ordinary functions of the Courts of Civil and Criminal Justice, and the operation of the general Regulations should, for the present, be suspended in that part of the District of Ganjam, commonly known under the denomination of the Zemindarces of Goomsur and Soorada, and that a Commissioner should be appointed for those Zemindarces for the purpose of exercising such powers, and discharging such duties, as may be specially entrusted to him, under the instructions of the Governor in Council of Fort St. George, with a view to the Collection of the Rents, the Establishment of a Regular Police, and the restoration of public order and tranquillity—His

Lordship in Council has therefore been pleased to direct that the following Act be passed, and it is hereby passed accordingly and promulgated for general information.

ACT No. XXIII. OF 1836.

I. It is hereby enacted, that from the 15th day of November, 1836, the ordinary functions of the Courts of Civil and Criminal Justice, and of the constituted Revenue Authorities, as well as the operation of the whole of the existing Regulations, shall be suspended within the Zemindarces of Goomsur and Soorada, and shall continue to be so suspended until this Act shall be repealed, or until such time as the Governor in Council of Fort St. George shall, by an Order in Council and Proclamation, declare that the ordinary Regulations shall be again put in force within those Zemindarces.

II. And it is hereby enacted, that it shall be lawful for the Governor in Council of Fort St. George to appoint a Commissioner for the said Zemindarces who shall exercise such powers as may be entrusted to him by the said Governor in Council of Fort St. George, and shall be guided in the discharge of his duties and functions by such instructions as he from time to time, shall receive from the said Governor in Council.

III. And it is hereby enacted, that nothing in this Act shall be construed to affect the jurisdiction of the Court of Circuit, or Court of Sudder Foujdaree Adawlut in any case which may be depending before either of these Courts on the 15th day of November, 1836.

IV. LEGISLATIVE DEPARTMENT,

THE 10TH OCTOBER, 1836.

Resolution.

The Zemindarees of Goomsur and Soorada, in the District of Ganjam, have long been in a state of the utmost disorder and confusion. The Revenue due to Government has for many years past been paid with great irregularity. The Zemindars have frequently been in a state of actual Rebellion. The authority of Government has been openly resisted, and the most atrocious acts of violence and outrage have been perpetrated by the Zemindars and their adherents. Although such measures as were consistent with the principles and provisions of the existing Regulations have, from time to time, been adopted by Government and by the local Authorities, with a view to the establishment of good order and permanent tranquillity in those Zemindarees, the attainment of that important object has been frustrated by peculiar obstacles arising from the nature of the country, the character of the Inhabitants, and other special and local difficulties. The failure of all measures hitherto adopted under the existing laws to restore tranquillity—the increasing prevalence of disorders which, if not speedily suppressed, may extend to the neighbouring States, and the continued resistance opposed to the authority of Government have at length rendered it necessary that the ordinary functions of the Courts of Civil and Criminal Justice, and the operation of the general Regulations should, for the present, be suspended in that part of the District of Ganjam, commonly known under the denomination of the Zemindarees of Goomsur and Soorada, and that a Commissioner should be appointed for those Zemindarees for the purpose of exercising such powers, and discharging such duties, as may be specially entrusted to him, under the instructions of the Governor in Council of Fort St. George, with a view to the Collection of the Rents, the Establishment of a Regular Police, and the restoration of public order and tranquillity—His

Lordship in Council has therefore been pleased to direct that the following Act be passed, and it is hereby passed accordingly and promulgated for general information.

ACT No. XXIII. OF 1836.

I. It is hereby enacted, that from the 15th day of November, 1836, the ordinary functions of the Courts of Civil and Criminal Justice, and of the constituted Revenue Authorities, as well as the operation of the whole of the existing Regulations, shall be suspended within the Zemindarees of Goomsur and Soorada, and shall continue to be so suspended until this Act shall be repealed, or until such time as the Governor in Council of Fort St. George shall, by an Order in Council and Proclamation, declare that the ordinary Regulations shall be again put in force within those Zemindarees.

II. And it is hereby enacted, that it shall be lawful for the Governor in Council of Fort St. George to appoint a Commissioner for the said Zemindarees who shall exercise such powers as may be entrusted to him by the said Governor in Council of Fort St. George, and shall be guided in the discharge of his duties and functions by such instructions as he from time to time shall receive from the said Governor in Council.

III. And it is hereby enacted, that nothing in this Act shall be construed to affect the jurisdiction of the Court of Circuit, or Court of Sudder Foudaree Adawlut in any case which may be depending before either of these Courts on the 15th day of November, 1836.

IV. And it is hereby enacted, that the Court of Circuit and Court of Sudder Foudaree Adawlut shall have Criminal Jurisdiction over every person whom the Commissioner in Goomsur and Soorada under the instructions of the Governor in Council of Fort St. George, may commit for trial, on the charge of any Crime perpetrated before or during the operation of this Act—and in all such cases, the Court of Circuit and Court of Sudder Foudaree Adawlut shall be guided by the general Regulations in force.

ON the Thugs residing at Jhansee, having plundered the property to the extent of 78,000 Rupees belonging to Seth Dhunraj, an eminent Banker of Umrawutee, his Gumushta Beharee Lal by name, with great exertions discovered the plunderers in question, and after the Thugs were proved guilty in the presence of the Agent to the Governor General at Bundelcund and Resident at Indore, the said Beharee Lal received, according to the acknowledgement of the offenders apprehended, the sum of 10 or 12,000 Rupees, being a portion of the property plundered; and on the 26th March 1829, the Agent to the Governor General in Bundelcund, issued an order to the Raja of Jhansee, desiring him to cause the property of the abovenamed Seth to be restored to him: but in the mean time, in consequence of a great number of Thugs having been apprehended through the exertions of the said Beharee Lal, under the orders of the Supreme Government, Captain W. H. Sleeman was appointed for the trial and punishment of the delinquents. The Thugs, whom the said Beharee Lal ill treated for the recovery of the property of his master, were also apprehended and brought to the presence of the abovenamed authority. In consequence of the enmity, which the Thugs formerly

bore towards the said Beharee Lal, for his having caused their guilt of murdering the people who had escorted the treasure plundered belonging to his master, to be proved thereby, rendering the families and relatives of the said Thugs liable to be hanged or imprisoned for life—they (the Thugs) accused Beharee Lal of his participating in Thuggy with them, in the presence of Captain Sleeman, and hence that gentleman entertained a doubt as to the conduct of Beharee Lal as represented by the Thugs, and accordingly from motives of displeasure he issued an order directing the discontinuance of the Cotee of the abovenamed Seth, established from of old at Saugor, a circumstance which the Seth having considered a great degradation to himself, he submitted a petition to the abovenamed Captain Sleeman, soliciting that the said Gumushta might be exonerated from the charge falsely brought against him, as set forth above: and also, that an order might be issued for the continuance of his Cotee at Saugor: but that gentleman did not comply with his request—for 4 or 5 years he amused him with evasive terms; but at length, Hurshubae, Gumushta, and Muna Lal, Mookhtar of Dhunraj Seth, arrived at this Presidency and submitted a petition to the Supreme Government, soliciting the exoneration of Beharee Lal from the charge brought upon him, and an order for the continuance of their master's Cotee at Saugor. Upon which Captain W. H. Sleeman was called upon to submit a report on the subject, and with reference to the report forwarded by that gentleman, an order was issued directing the continuance of the Cotee of the said Dhunraj Seth at Saugor, stating at the same time, that with regard to the case of Beharee Lal Gumushta, the petitioners might wait upon the Officiating General Superintendent at Saugor, and submit the question to him who would decide the case in a satisfactory manner. Upon this, Sreekishen, second Mookhtar of the Seth, attended on the abovenamed gentleman, and submitted to him all the particulars of the case. Upon which, that gentleman, having referred to the representations of the said Mookhtar, and all other papers and documents connected with this matter, particularly those attached to the Offices of the Superintendent at Saugor and Agent in Bundelcund, held a proceeding on the case on the 30th August 1836, wherein he stated, that "the charge brought upon Beharee Lals of having participated in Thuggy was in no respect obvious. It is evident, that neither from this Court nor from that at Hingooly was any order ever issued for the apprehension of Beharee Lal, nor was any such order recorded in the Office. How then can the spies (informers) and officers stationed on the road, apprehend Beharee Lal, or molest him in the way without an order? He is at liberty to proceed any where he may like in prosecution of his master's case; no order was ever issued from this Court prohibiting him from doing so." And accordingly the Officiating General Superintendent furnished the Mookhtar of the abovenamed Seth with an authenticated copy of the proceeding in question, and a Purwana to the address of the said Dhunraj Seth to the effect that Beharee Lal was exonerated from the blame imputed to him, and also, that none of the spies or officers on the road should with reference thereto molest Beharee Lal in any journey which he may undertake to the Presidency at Calcutta or other places, in prosecution of his master's case. Hurshubae Gumushta and Muna Lal, Mookhtar of Seth Dhunraj, submitted copy of the proceeding in question to the Supreme Government for its information, and the order therein stated was confirmed.

As Captain Sleeman, General Superintendent at Saugor, entertained a suspicion as to the participation of Beharee Lal in Thuggy from the false representations of certain Thugs and spies, his exoneration from the imputation above adverted to has been hitherto delayed. The Officiating General Superintendent has lately held the proceeding above alluded to with reference to the instruction issued by the Supreme Government on the 30th August 1836, containing an order exonerating the said Beharee Lal from all the charges

falsely brought against him. From which proceeding it is obvious, that no doubt can be entertained as to the conduct and proceedings of the abovenamed Genuahtha, and accordingly the above details have been inserted in this paper for the information of the British Gentlemen stationed in the Deccan.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandize of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at	Bengal.
Ditto	Ditto..... Madras.
Ditto	Ditto..... Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

GENERAL DEPARTMENT, THE 26TH JUNE 1832.

ALL Public Officers of Government sending Advertisements to the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s.	d.	
		Per Company's Rupee for Advances made at..... Bengal.
		Ditto Ditto..... Madras.
		Ditto Ditto..... Bombay.
		Per Spanish Dollar, Ditto..... China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

FORT WILLIAM,
GENERAL DEPARTMENT, THE 26TH JUNE 1832.

ALL Public Officers of Government sending Advertisements to the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,
FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.	Per Company's Rupee for Advances made at	Bengal.
	Ditto	Ditto..... Madras.
	Ditto	Ditto..... Bombay.
	Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorised, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Read the following letter from Mrs. Armstrong, Widow of the late Mr. James Armstrong, of the Civil Service, dated the 16th April 1836, with its enclosure; claiming the benefits of the Institution for herself and six Children; also Correspondence with Mr. Bushby relative thereto.

Resolved unanimously,—First, that with reference to the claim of Mr. Bushby on behalf of Mrs. Armstrong, under Article 46, the construction put by the Managers on that Article, be confirmed.

Note.—This related to a claim for £2,000 to be allowed to Mrs. Armstrong in addition to the increased Annuity of £400 per annum. The Managers however ruled that the interest of that £2,000 must be included in calculating the income of the Estate.

Second,—That interest being fixed at 5 per Cent. by Article 46 no alteration can be allowed thereon.

Third,—That the present income being calculated independent of the Opium Commission of 1834-5, but including that for 1833-4, also exclusive of a probable asset of 10,000 Rupees from Insolvent Houses, and subject to an exact ascertainment of the value of the property at Gorumkore, the Managers be requested to make the requisite adjustment as these items are brought to the Credit of the Estate.

No. 2.

Read the following letter dated the 11th May 1836, with its enclosure, from Mrs. Boddam, Widow of the late Mr. Rawson H. Boddam, of the Civil Service, claiming the benefits of the Institution for herself and six Children.

Resolved unanimously,—That the application of Mrs. R. H. Boddam for admission to the benefits of the Fund be transmitted by the Managers to the Agents in England, who shall be empowered to grant her the usual allowance on receiving the prescribed Affidavit and Account of the Estate.

No. 3.

Read the following letter from Mr. R. N. C. Hamilton, dated the 8th October 1836, with its enclosure, claiming the benefits of the Institution for the Widow of the late Mr. Thomas Louis, of the Civil Service, and his three Children.

Resolved unanimously,—That Mrs. Louis be admitted to the benefits of the Fund, subject to the prescribed ascertainment of property.

No. 4.

Read the following letter from the Messrs. Codd, dated the 29th April 1836, forwarding a letter from Mrs. Smith, Wife of Mr. Henry Smith, of the Civil Service, on the subject of his future Subscriptions to the Funds of the Institution.

Resolved unanimously,—That while Mr. Smith continues to belong to the Service, Mrs. Smith is entitled under the Rules in force to claim an interest in the Fund contingent on Mr. Smith's demise, without any contribution from the Pension granted by the Honorable Court to Mr. Smith.

No. 5.

Read a letter from Mr. W. H. Macnaghten, declining taking upon himself the Office of Manager of the Civil Fund.

Proposed by Mr. McFarlan and seconded by Mr. Millet, and Resolved unanimously,—That Mr. George Uday be elected a Manager, vice Mr. Macnaghten resigned.

The Meeting then resolved itself into a Special General Meeting for the consideration of the Revised Rules.

Certain Resolutions communicated from Allahabad and elsewhere being taken into consideration, it was upon the motion of Mr. J. R. Colvin, seconded by Mr. Reid,

Resolved,—That this Meeting be adjourned to Saturday the 3d December, and that the papers and propositions laid before it be referred to a Sub-Committee composed of the following Gentlemen:—Messrs. H. T. Prinsep, F. Millet, J. P. Grant, and Henry Torrens, and that they be requested to assist the Chairman in classifying the same and preparing a report thereon, to be laid before the said Meeting; which report to be previously printed and circulated.

As an Amendment to the above, the following Resolution was proposed by Mr. J. P. Grant:

“That the proposed New Rules be sent back to the Committee of Revision, with directions to re-consider them in connection with the opinions this day submitted to the Chairman of this Meeting, to remodel the said Rules if they shall see fit, to publish a Draft of the Rules so remodelled six weeks before the next Quarterly Meeting with their remarks thereon, and the Committee be authorized to add to their numbers.

That the Rules so remodelled be considered at the next General Meeting.”

The Amendment being put to the vote was lost, and the original Resolution was carried by a considerable Majority.

The Meeting then adjourned to the 3d of December, with the usual vote of thanks to the Chairman.

W. L. MELVILLE, *Chairman*.

NOTICE is hereby given, that on Monday the 7th Instant, will be put up for Sale by Public Auction, at the New Mint, at 11 o’Clock precisely, about 800 Maunds of COPPER SCISSEL.

FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s.	d.	Per Company's Rupee for Advances made at	
		Bengal.
		Ditto	Madras.
		Ditto	Bombay.
		Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested; or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

To be Let in Farm on LEASES of 10 or 15 Years, the following Government Estates, situated in the Collectorship of Dinagepore.

Mahal and Pergunnah.	Date of becoming Khas.	Rukba.	Hustbood as per 8th Quinquennial Register.	Sudder Jumma.	Rukba Uba-dec.	Jums of 1242.	Balance of former years.	Balance of 1242.	Total Balance at the close of 1241 B. S.
M. Mirzapoor, P. Gilahbaree,	10th June 1836,	12660 16½	6666 1 18 0	5906 13 15 0	7207 7½				
M. Sindoorhatta, Perg. Ditto, ...	Ditto,	7696 5½	4896 14 11 3	5085 3 9 1	4597 2½				

These Estates have so lately been purchased by Government that no accurate Statement can be formed of their Rukba Uba-dec or of their Balances, and only a Rough Estimate could be formed of the probable Collections.—The Estates are close to each other and are under the same Tehsildar.—They are intersected by the Jumna River.—The soil is for the most part Khear and Pullee, the former produces Rice, of a superior kind, and fetches a high Price in the Market; the latter produces Sugar Cane, Indigo, &c. Mirzapoor is comparatively but little deteriorated by the racking of the Zemindars, and has numerous old and good Cultivators on it. Sindoorhatta is in a worse condition, but offers a good opportunity to small Capitalists to bring its valuable Lands into Cultivation. There was an Indigo Factory formerly in their neighbourhood, and it was only closed on the Proprietor obtaining an appointment under the Government. The Ryots would no doubt be glad to cultivate the plant again. The late Owners of these Estates bought them nearly 40 years ago, and have never until lately had any difficulty in paying the Sudder Jumma which is a sufficient proof that the Lands have only deteriorated by recent neglect. The Lands are situated on three sides of the Chintamun Thanah. The Estates are 14 Coss from Dinagepore and 2 Coss from the Moonsif's Kutchery.—Tenders to be made to the Acting Collector of Dinagepore.

ALL Public Officers of Government sending Advertisements to the Calcutta Gazette for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

FORT WILLIAM,
FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a.	d.	Per Company's Rupee for Advances made at	Bengal.
		Ditto	Ditto..... Madras.
		Ditto	Ditto..... Bombay.
		Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

Rules for the supervision and preservation of the Navigation of the Canals specified in Act No. XXII. of 1836.

Any person in charge of a boat or raft neglecting or disobeying the following Rule, viz. that all boats and rafts lying in the Ballinghatta and Circular lines of Canal be made fast by the head and stern alongside the bank to posts driven into the bank by the Superintendent, and in no other manner.

Any person in charge of a boat or raft who shall let go an anchor, or place his boat, or raft in such a position, as to endanger the safety of other boats, or obstruct other boats passing through any of the Canals specified in the above cited Act. Any person who shall place obstructions in the Canals aforesaid, or on the roads, drains, or bridges, so as to impede a free passage along them or to cause injury to them, or who shall commit nuisances by throwing filth on the banks, or into the Canals, or wilfully or negligently permit a boat to sink in the Canals, will be liable to fine or imprisonment at the discretion of the Magistrate under Sect. If any person in charge of a boat in the Canals shall refuse to shew to the Collector his ticket of admission into the Canal, or state that he has lost it, the Collector is authorised to grant him a renewal of the ticket, charging one-half toll for such renewal; and if the party cannot satisfactorily prove to the Toll-keeper, (or Collector on Appeal) the date of his entrance into the Canal, and the payment of toll, the renewed ticket may be ante-dated one month.

In all disputes arising from trifling differences in measurement of boats, the Toll-keeper shall decide in favor of the person paying the toll or rent.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due; and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8. The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities of Behar and Benares Opium will be brought to Sale this year at the dates specified, viz.

On the 20th Feb. 1837, Behar and Benares Chests	2300

But it is hereby further notified, that under the 6th Article of Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Four Sales in the months of January, February, March, and April, 1837, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity

not exceeding in the aggregate 300 Chests, the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisitions for Opium within the time abovementioned, the entire quantity of 17,305 Chests of Behar and Benares Opium, as above stated, will be brought to Sale in the usual manner; and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Four Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of the Presidency of Fort William reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity so reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to. " Trade in Opium, it is agreed between the High Contracting Parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed

"by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned. The requisitions for Opium as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

9. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character above-mentioned, unless he shall tender at the time a Deposit either in Cash or Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time herein before-mentioned for making such Deposit as aforesaid; and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium, for and on behalf of the said East India Company.

By Order of the Board of Customs, Salt and Opium, the 22d October, 1836,

S. G. PALMER, Acting Secretary.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.	Per Company's Rupee for Advances made at	Bengal.
	Ditto	Ditto
	Ditto	Ditto

	Per Spanish Dollar, Ditto	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.
